

WHOW

Whittier Hills Oil Watch

www.whittierhillsoilwatch.org

- Property Values likely will drop significantly in many neighborhoods
- Drilling will take place within 400ft. of a Special needs School
- County will likely take a large percentage of any royalties
- Funds can ONLY be used for recreation and parks, not schools
- Major streets will be damaged by transporting heavy equipment
- A 2.5 mi. pipeline will be installed under So. Side of Colima Rd.
- 17 football fields of recovering wilderness will be destroyed
- The City of Whittier entertained only a single bidder for project
- Hazardous waste will be generated by drilling
- The City has flip/flopped from saving to destroying our hills

Be informed and visit our website for more information.
